QUAD

the closest approach to the original sound

OVERVIEW

The QUAD ERA-1 Headphones Stand is specially designed for the multi-award winning QUAD ERA-1 headphones. Stylish, beautifully finished and the perfect complement to the ERA-1, the ERA-1 stand is the ideal accessory for QUAD headphone owners and retail or exhibition displays, alike. Quick and easy assembly, with no tools required, the ERA-1 stand is also suitable for all on-ear headphone models.

KEY FEATURES

- **High Quality Material**
High grade polished aluminum metal work with real wood finish
- **Sturdy Design**
Precision cutting through CNC molding means the stand stability is optimized. In addition, the bottom of the stand firms with solid aluminium base for effective support.
- **Portable, quick and easy assembly**
Can be easily disassembled, you can take the stand with you wherever you go!
- **Universal Compatibility**
Fits most headphones brands
